October Cowboy Shoot

What a beautiful day we had to shoot our October Cowboy Match at the Aurora Gun Club. The weather was in the thirties when we were setting up and resulted in a sunny sixty degrees when we were finished. Thank you Colorado weather. A big congratulations to our clean shooters this month go out to Flaggstaff Fox and Melonhead. Three other shooters had only miss which is great. I sent a request to our weather Gods to give us another warm and sunny day for our November shoot as well. We can not thank all of you who helped set up the match and tearing down the stages enough for all of your help. We did shoot six stages this month and will work out a schedule where we will shoot six stages each month with the sixth stage an option in case anyone has plans and will have to leave before they get to shoot the last stage. We tried making the sixth stage a "FUN" stage with different sequences just to keep you on your toes. Thank you Cool Hand Coz for providing some stages that we will use in some upcoming matches. If you would like to join us just pack up your single action revolvers, side by side, model 97 or lever action shotgun, and a lever action pistol caliber rifles and come on out an join us the second Wednesday of the month, weather permitting, and come play with your frontier era firearms and help us rid the west of all the bad guys. Just a reminder that 22's may be shot for any age style. Hope to see you at our next shoot on November 10.
