## PRESIDENT'S MESSAGE

As you read in the minutes of the January BOD meeting we have a vacancy created by the resignation of Gary Ames. If you would like to be considered for the remainder of this term please notify the administrative assistant or the club secretary by e-mail or snail mail by Friday, February 6th of your desire to be considered by the BOD. The BOD will appoint a replacement at the February meeting as per the by-laws of the club. We are winding down on the membership drive with great results. It appears we will have approximately a 90-95% renewal rate. Kimberly will be at the club January 31st from 11am-1pm for those last minute renewals. Beginning February 1st we will be notifying people on the waiting list to fill the remaining few open memberships. Thank you to all who have renewed as the dues you pay are what keeps AGC paying the bills!! See you at the range as the weather begins to get warmer. Enjoy safe and successful shooting.

Terry

#### IV MEMBERS FORUM

AJ received a reply from the NRA on the range improvements after almost 2 years. The NRA sent a copy of their findings to AJ. NRA thought the AGC had a good range layout.

Dean Ames wanted to speak to the December meeting concerning the absentee procedure for BOD members. He felt the BOD's process for establishing the absentee procedure was smooth or proper. Mr. Ames was upset about the "clarification" placed in last month's minutes. He felt it was incorrect to include anything in the minutes other than recording the actual events of the BOD meeting.

### CRO's Corner

Quick tip: If you have unfired ammunition that for any reason you wish to discard please do not leave it on the range. Preferably crimp/crush the case so as to render the round useless and dispose of it in one of the containers located throughout the AGC. In this way, we prevent the inadvertent pickup and use of ammunition that could be dangerous. Thank you!

Recently I was thinking about the AGC and what it has to offer. Besides a range where members and guests can come at shoot whenever they wish, the AGC is also a place where various shooting events can be held. At the AGC currently, we offer Black Powder rifle, trap and pistol, Center fire Bench Rest, Cowboy Silhouette, Magnum handgun, Military rifle and Bolt action bench rest, NRA Action Pistol, NRA Silhouette, PSAC, 3-Gun, Trap and Civilian Marksmanship Program (CMP) matches/disciplines/shoots. There are folks that come to one or more of these disciplines on a regular basis. All the disciplines are enjoyable and have a very fine group of individuals who attend and run them. If you have not attended any of the disciplines, I would encourage you to do so. They are enjoyable to shoot, friendly and you will almost certainly meet some good people and learn a thing or two each time you attend. I would also like to take this opportunity to thank all the AGC members who run, have run or are going to run individual disciplines! These events enhance the AGC and provide enjoyable venues for all to enjoy.
