CRO's Corner July 2009

The AGC offers the opportunity for members with two years of membership or more to become an RO (range officer). As an RO you will be helping to keep the AGC running safely. Every hour worked will reduce the RO's following year's dues by \$8.00. To become an RO one must attend an RO class, in so doing, the member becomes "certified" by the AGC as a Range Officer. This certification is by and for the AGC only and is not affiliated with the National Rifle Association (NRA). The first class this year will be held Wednesday July 8th at 7:00 PM in the classroom building. I would also like to have an additional class on a weekend. I think I will wait a few weeks to have the 2nd class so that folks on summer vacations can attend. Expect the class to last between 1 and 2 hours depending on number of people who attend and amount of questions asked. Classes are low key, informative and hopefully interesting. Be prepared to take notes for your future reference. Attendance will be taken and recorded.

Please note: if you were/are an RO, your certification is good for two years. If you wish to continue to be an RO you must retake the class every two years. The AGC Board of Directors set a mandate in 2008 that ALL discipline chairmen/women (or their designated representative/s) must attend an RO class. Since all discipline chairs attended classes last year there is no requirement for the seated discipline chairs to attend this year.

CMP

17 shooters showed up for the John C Garand CMP match on June 13th requiring 4 relays to accommodate them all. We welcomed 3 new shooters to AGC but by their showing, none of them appeared new to the game of shooting WWII .30 cal rifles.

The weather was great for a June match; a bit of a breeze but it was out of the South so it was a pleasure to shoot into if you could keep Sand Creek out of your shooting eye.

John Denap took 1st place with a steady 287-7X. Only 3 points separated his highest and lowest stage scores. Rob Rathburn took 2nd with a 284-7X and Dan Bugh 3rd with a 280-6X.

I exercised Pete Benoit all last week about whether he could run the match for me as I had some family issues to deal with; I'd like to thank him again for his support and the cooperation of all the shooters in making the match a success.

The next JCG match will be Saturday, August 8th. I predict it will be hot by noon so I'd like to encourage early risers to come out early so we can get a 5 person relay started before 8:00 or 8:30 to beat the heat and move the match along. All who arrive and register by 9:00am will be welcomed and accommodated as usual.

Black Powder Rifle Match

We only had 14 shooters for the Club Championship Match. It was a close shoot as only 19 points separated the top 4 shooters. It was a long day and the rain waited until it was over before cutting loose, thank You Lord. There have been too many days ruined by rain and wind and snow. For that reason, I am going to move the Club Championship to June. Hopefully more people will come out.

ATA

The dates registered with ATA for AGC are the following: July 19th Aug 16th Sept 20th Oct 4th There are no shoots scheduled for Nov - Feb. When I am at the State shoot, I'll research posting 2010 dates. All of the above dates are the third Sunday of the month. Any ideas as to why Oct shoot is the first Sunday? Hunting season date conflict is a questionable answer. I'll follow this pattern for 2010. Feb & Mar subject to weather. I'll work out a schedule with Dan, the cashier, about shooters who want to presquad. Squadding will start at 8:00 AM with the shoot starting at 9:00 AM.
