On a sad note: On July 4th, 2010 our caretaker, Cal Shipley passed away. He died of complications from stomach cancer. He was an asset to the Aurora Gun Club; always ready to help others with hot chocolate, brownies, cookies, burritos, water and any other assortment of goodies. He was a friend to all and will be missed.

Calvert J. Shipley June 9, 1959—July 4, 2010

The service was held at the Golden Church of the Nazarene in Golden, July 16, 2010.

IV. MEMBERS FORUM

AGC member: Asked about the gentlemen whose rifle blew up, how is he doing? The gentleman lost his right eye; he has had lots of surgery to repair the damage. The member is learning to shoot with his left eye and wants to keep the issue a personal matter.

AGC member: Asked if we can discuss amendments to the Colorado gun laws? No we cannot discuss the amendments to the Colorado gun laws at this meeting.

The wait list was updated to 130. 3 new applications were received this month.

VI. OLD BUSINESS**President, Terry Humbargar:**

Nothing to add.

1st Vice President, Emmanuel Boyd:

There will be adjustments to the wait list numbers. The wait list will be updated the first of each month.

2nd Vice President, Joe Benskin:

Secretary, Dave Bonner:

Nothing to add.

Treasurer, Mike Miller:

Nothing to add.

VII. NEW BUSINESS

President, Terry Humbargar:

There were three range violations at the Rocky Mountain Three Gun match on June 19, 2010. There were two safety violations on non use of the range flag and one violation on improper target placement at the 200 yard range. After a lengthy discussion between the range officer, the match director, and the Board of Directors, it was decided that changes need to be made to the Rocky Mountain Three Gun matches.

07.13.10.c Motion to suspend Rocky Mountain Three Gun matches for three months. The Rocky Mountain Three Gun discipline will have to train Range Officers to AGC standards and is required to have new safety rules in place before the October BOD meeting. At the October meeting the Rocky Mountain Three Gun will present the new safety rules and changes to the BOD.

Motion seconded and passed.

1st Vice President Emmanuel Boyd:

Nothing to add.

2nd Vice President, Joe Benskin:

I will have a crew repaint the inside of the caretaker's house. I had a conversation with Lyman Ho (Project Manager for the Pipe Line installation for the City of Aurora) he said the work should start in three to four weeks. The first phase would be to move the power lines away from Gun Club Road and move our gate. The gate probably will not be powered and the members will have to use a combination lock to enter and leave to the range.

Secretary Dave Bonner:

Nothing to add.

Treasurer:

Nothing to add.

Wednesday Trap Chairman, Don Phillips: Wanted to know why we charge \$9.08 over the cost of the clay birds to the Wednesday trap shooters? The cost for trap on Wednesday is \$3.50 per round. The price we charge also covers many other items that are factored in such as: club utilities, grounds maintenance, trap maintenance, breakage / loss factors, the trap kids wages for loading the traps, general maintenance costs, taxes, etc. The price of the Wednesday Trap is one of the lowest in the Denver metro area.

ATA Chairman Loren Kolher: Wants to hold a Metro Zone shoot next year on May 15th. All of the details on the shoot are not clear at this time. The approval for the Metro Zone is tabled until next month when more details are clearly outlined.

Loren asked for \$50 for the Colorado State Trap Association yearly membership.

07.13.10.d Motion to approve \$50 for the Colorado State Trap Association yearly membership .

Motion seconded and passed.

BIOGRAPHIES

Mark Harper

Hello my name is Mark Harper and I have served on the AGC Board of Directors for the last 3 years. I have served on numerous and various committees including the Finance Committee and being the 2009 Election Chairman. I would like the opportunity to continue to serve the members of AGC during the next 3 years. As you all know, we are facing some difficult times for the club and I would like to use my experience gained over the past 3 years to help move the club forward for the future.

Debra Caldwell

My name is Debra Caldwell (Deb) and I am currently serving on the Board of Directors at Aurora Gun Club. I have been a member of AGC since 2004. I have served one term on the board and am interested in doing one more. You can find me at the range nearly every good weather day and many of the bad ones too. Many improvements have been made at the AGC and I wish to keep the good things happening. I currently serve on the 'personnel committee' and would like to continue finding quality employees for the club when needed. I am a NRA certified firearms instructor and teach a 'Basic Pistol' class at the club once a month. I believe it is important to add a woman's perspective on the board as more and more women are taking up arms for sport as well as personal protection. I like introducing people to shooting activities and the Aurora Gun Club. We have a very special facility here and we must do whatever we can to keep it safe and enjoyable for all our members and guests. Thank you for your support.

Dave Bonner

Currently I am on the Board of Directors serving as the club Secretary and on the Personnel Committee responsible for hiring of club employees. Additionally, I am also the Chairman for NRA Silhouette. In the past three years, I have been on various committees involving club business. Using the experience and knowledge gained, I would like to continue to serve as a BOD member to help guide the club in a safe and efficient manner.

July 10th 2010 CMP Match Report

We finally got around to shooting the June CMP match on July 10th and I have to say the weather was a lot easier to take than that we had on the originally scheduled date. Partly cloudy, a fresh breeze out of the South kept the line at a pleasant temperature throughout the match. Water flowing in the Sand Creek ditch slowed down scoring a bit but we finished shooting the 55 round "B" course on the 100 yd line by Noon. We hosted 7 members and 2 guests; I think we were competing for shooters with a scheduled High Power Match at CRC and maybe Bill Chin's Military Rifle Match at the 200 yd range (Curse you Bill Chin!). six Garand shooters, two Carbine shooters and one 1903 shooter was all we managed to field.

The two carbine shooters finished in the middle of the pack; Dan Bugh shot 2nd over-all, posting a 451-3x with his Garand. Pete Benoit was the match winner with a 457-4x via his 1903.

Thanks go to Dan Bugh for re-supplying us with pasters and to Pete Benoit for the magnificent bridge he laid between the 7th and 8th targets across the torrent that is Sand Creek, without which everybody's feet would have gotten wet when going down to score.

The next CMP match, on Aug 14th will be a 30+5 shot, course "A" match held on the 200 yd range. We'll try to get rounds down range by 9:00 am.
