

AURORA GUN CLUB

MEMBER RULES

VIOLATION OF ANY OF THE RULES OR GUIDELINES LISTED HERE MAY RESULT IN SUSPENSION OF CLUB PRIVLEDGES AND ARE SUBJECT TO BOARD OF DIRECTORS REVIEW AND POSSIBLE FURTHER DISCIPLINARY ACTION

GUIDELINES

- G1. All persons on Club property must be respectful toward all others.
- G2. Treat all guns as if they are always loaded.
- G3. Never let the muzzle cover anything you are not willing to destroy.
- G4. Keep your finger off the trigger until the sights are on target and you are ready to fire.
- G5. Always be sure of your target and what is behind it.
- G6. Holstered, unloaded handguns may be worn throughout the AGC property by persons 21 years of age and older.
- G7. Toy guns and BB guns are to be treated as real firearms. Persons handling such arms shall comply with all club rules.

GENERAL RULES ALL RANGES

- A1. Shooting hours are from 7:30 AM until Sunset.
- A2. Range officer commands are to be obeyed immediately. Questioning a Range Officer's direction with foul, abusive, profane, or disrespectful language or aggressive behavior is prohibited.
- A3. Destruction of club property is prohibited.
- A4. Club members shall display their membership card on their person at all times.
- A5. Club members bringing guests to the facility are responsible for the guest's compliance with all range rules.
- A6. When entering or exiting the club, (once you have opened the gate), if someone attempts to enter they must be asked to show their club ID.
- A7. Eye and Ear protection is required on all ranges for all persons present in the shooting area.
- A8. Hunting or harassing wildlife on club property is prohibited.
- A9. The use of alcoholic beverages is not permitted on AGC Property. Anyone under the influence of drugs or alcohol, or suspected of the same may not handle a firearm and will be required to leave the AGC property.
- A10. Walking or otherwise being on the dirt banks, sand banks, or berms is prohibited.
- A11. Vehicles are not to be parked inside of any berms or on any ranges while shooting.
- A12. Shooters are required to clean their shooting areas when finished, including collection of spent cases and hulls.
- A13. All rounds fired must impact near the middle of the berm. Proper targets should be placed as close to the back of the berm as practical. All targets are to be positioned so all projectiles fired will impact into the impact berm (Exception: Trap). Any round fired that skips or otherwise leaves the facility constitutes a safety violation
- A14. The side berm is there to protect people and objects in the area to the side of the berm area and is not to be used as an impact area.
- A15. On flagged ranges, the range is open only when the flag is up and closed when the flag is down. There is to be no handling of firearms while the flag is down. All long guns must have the action open when left on the bench or in a rack. If the action cannot be left open an OBI is required. Flagged ranges are the 100 & 200 yard ranges & the Silhouette range.
- A16. All dogs must be leashed at all times. No dogs in the clubhouse; with exception of service dogs.

- A17. No professional video production, no media and no interviews allowed on AGC property without prior Board of Directors' approval.
- A18. Only board approved bridging materials may be placed in/over the creek on the 100-yard or 200-yard ranges.

FIREARMS

- F1. All un-cased long-arms are to be carried, unloaded, with the muzzle pointed up or down.
- F2. All long guns shall have the action open when not on the firing line. No long guns are to be shouldered except on the range firing line and then they are to be pointed only down range. No pistols are to be pointed except on the firing line and then only down range.
- F3. All shooters will exercise muzzle control at all times, ensuring that they never cover any person with the muzzle of their firearm.
- F4. Persons under 21 years of age may not possess any handgun outside of the shooting areas.

TARGETS

- T1. Proper/appropriate targets must be used at all times. All members/visitors are to furnish their own targets, stands, and sandbags, except for sanctioned shoots in which they participate. Items such as cans, bottles, bowling pins, golf balls, etc., are not permitted as targets. Shooting at tires or range equipment is prohibited. Proper/Appropriate targets include steel targets, paper targets, Clay Pigeons, and framed self sealing plastic – if in doubt, consult with a Range Officer.
- T2. Use of proper/appropriate steel targets on the 100 yard range, the 50 yard ranges, or the Silhouette range must be positioned so all projectiles fired will impact near the middle of the berm or be driven down into the dirt.
- T3. All shotgun patterning must be accomplished on the patterning board located in berm 1. Patterning paper is available in the clubhouse when open.
- T4. Steel targets are prohibited on 50 yard berms #1 and #7.
- T5. Only personal targets may be used for crossbow bolts or broad-head arrows on the archery range.

GUESTS

- GU1. A member may bring his/her spouse and children under age 21 to the range plus one other guest free of charge (maximum of four guests at one time). Children must be supervised at all times.
- GU2. Guests are only permitted access via the primary member badge – Spouse badges have no guest privileges.
- GU3. A fee of \$5.00 per guest will be charged for each additional guest beyond the one free guest. The member is responsible for payment prior to setting up at a shooting position. Failure to pay will result in a penalty fee of an additional \$5.00 per guest.
- GU4. Members with guests may only use one shooting position on any rifle range, depending upon the needs of other members.
- GU5. All guests must sign in. During open clubhouse hours sign in shall be at the clubhouse. When the clubhouse is closed, sign in shall be at the caretaker drop box using provided envelopes. All guests must sign the club liability waiver. Parents of minor children must sign the waiver for their children.

TRAP RANGES

- TR1. The maximum shot shell load allowed on the trap range is a 3 dram 1 1/8 ounce trap load with lead 7 ½ or smaller size shot. NO HUNTING OR FIELD LOADS ARE ALLOWED.
- TR2. Trap shooters must load only one shell at a time. (Exception: two are allowed when shooting doubles and/or wobble trap).
- TR3. No shooter-owned traps are allowed.

50 YARD RANGES

- B1. All rounds fired must impact near the middle of the end berm above the target frame base. Proper targets shall be placed as close to the end berm as practical.
- B2. All firing on these ranges will be forward of the 50 yard markers.
- B3. No centerfire rifle cartridges in berms 1 and 7 to include .223, 5.56, and 7.62 X 39.

100 YARD RANGES

- C1. The range flag shall be used at all times. NO EXCEPTIONS. When the flag is up, the range is OPEN. When the flag is down, the range is CLOSED, and there is to be no handling of firearms.
- C2. Firing shall only be allowed from the designated firing line. Position shooting from the areas next to the shooting benches and behind the firing line on the 100 yard range is allowed as long as rounds impact near the middle of the berm. See rule C7.
- C3. Firearms will not be handled for any reason when the range is CLOSED and/or when persons are forward of the firing line. Shooters will stand back and away from their shooting position and behind the safety line during this time. This includes cleaning, casing and un-casing or moving firearms to and from the shooting benches. All firearms remaining on the firing line will have their actions open with no live rounds in them. If the action cannot be left open an OBI is required.
- C4. Firearms on shooting benches shall have the muzzle pointed downrange, action open in such a fashion that all concerned can see the firearm is unloaded and safe. If the action cannot be left open an OBI is required.
- C5. Black powder firearms are to be charged with the muzzle pointing up. They shall not be capped or primed until on the firing line with the muzzle pointing down range.
- C6. There shall be NO SMOKING within 20 feet of black powder while black powder is in use.
- C7. All rounds fired must impact near the middle of the berm. Proper targets should be placed as close to the back of the berm as practical.

200 YARD RANGE

- D1. This range is for 200 yard shooting only. Long range rimfire, center fire rifles, and long range hand guns are permitted on this range. There shall be only one firing line established by the bench locations. No shooting shall be allowed ahead of the firing line.
- D2. All 100 yard range rules apply to this range.
- D3. TARGETS: Steel targets on the 200 yard range must be positioned to the far right side of the impact berm so all rounds fired impact safely. Only lead bullets are allowed for 200 yard steel targets.
- D4. All other targets must be positioned in the center of the target frame backer, no hanging or mounting of targets to the frames structure. Removal of targets is required prior to leaving the range.

SILHOUETTE RANGE

- S1. Only pistol cartridge calibers for cowboy silhouette firearms and rimfire firearms using lead bullets are allowed on this range. All shooting is to take place from the established covered firing line. Paper and approved silhouette targets may be used only when placed at each of the berms so that bullets impact into the berm. Proper use of the flag is required. No clay targets are allowed on this range. Jacketed bullets are prohibited on this range.

SANCTIONED MATCHES

- SM1. All sanctioned matches and classes are to be run by an AGC club member in good standing. The AGC member is responsible for seeing to it that all AGC rules are followed.
- SM2. Sanctioned matches take precedence over casual shooting.
- SM3. Match Directors are required to have Range Officer certification.

MATCH EXCEPTIONS

- ME1. During PSAC matches, bullets may impact side berms.
- ME2. Jacketed bullets may be used during silhouette range matches, however, the magnum range must be closed during the match.
- ME3. During Muzzle Loader matches, Steel Swinger targets are permitted at the pre-determined locations between 60 and 80 yards near the center of the 100 yard range.
- ME4. During CMP matches, shooters may shoot in front of the benches on the 200 yard range.

PROHIBITED DEVICES/FIREARMS

- PD1. Full-auto firearms.
- PD2. Sure fire or any other bump fire device that increases the rate of fire.
- PD3. 50 BMG (Browning Machine Gun) firearms and all firearms utilizing the 50 BMG Cartridge, i.e.: 416 Barrett.
- PD4. Exploding targets and tracer rounds.
